TO WHOM IT MAY CONCERN

Dear Sir/Madam,

RE: BEN F. GRAY

I have come to know Ben Gray over the past several years working under him as head of BrizNet and Yes We Care, a city wide networking base mobilizing the city of Brisbane to prayer and community outreach. Ben successfully and passionately led the pastors of Brisbane to cry out to God for revival while reaching out into the community with the love of God in a practical way.

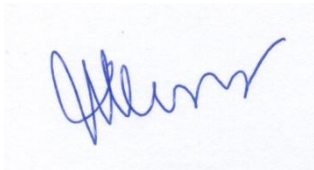

In 1993 Ben founded and is the current apostolic oversight for one of the largest prayer networks in the nation, the Australian Prayer Network with over 6000 members. Ben has also organized large citywide apostolic and prophetic conferences which have greatly impacted the churches in the city Brisbane.

Ben has a heart for the lost and hurting, and also a desire to see the church awakened to the power of God and the fullness of her inheritance. Ben is well respected both in the church and in the community for being a man of integrity with the heart of God.

Ben loves and connects well with the local church, having successfully pastored his own church for many years. He also has a heart and a call to the wider body of Christ and the Kingdom of God worldwide which he is currently pursuing.

Please feel free to contact me if you wish.

God bless
