To whom it may concern,

I have known Ben over the last ten to fifteen years, and we have ministered together on many occasions. Ben served diligently as associate pastor at Gateway Baptist, and has also developed a great ministry that is a connection point for many different ministries.

Despite having to negotiate some challenging times in his life, Ben has stayed close to God and has maintained a wonderful spiritual life. He truly serves the wider body of Christ through building relationship with inspiring kingdom leaders that he often brings to teach and impart to the church in Australia.

Wherever Ben has been he has excelled. He keeps an excellent spirit. He has created great ministry relationships. He demonstrates the characteristics of Jesus, and his life and ministry encourage people from all walks of life.

I endorse Ben completely, and support Ben in his ministry and will speak on his behalf at any time.
