

TO WHOM IT MAY CONCERN

13/7/2010

It's my pleasure to provide a written endorsement for Pastor Ben F. Gray
Our friendship extends over a 20 year period

Ben is a man of God of unimpeachable integrity

As the Senior Pastor of a local church, he has evidenced the shepherding skills of loving, caring and feeding his flock.

One of Ben's outstanding qualities has been evidenced in his leadership influence among other leaders. Having worked with Ben when he was Chair person of Briznet, which is an Interdenominational group of churches working in co-operation to promote unity, love and corporate prayer for our City and State. Under Ben's leadership Briznet also engaged in a City wide CARE PROGRAM that was very successful

Ben is the founder and co-chair person of the Australian Prayer Network (APN) which is possibly the largest prayer network in Australia.

He has a passion for Missions and has been involved in Prayer Journeys, Training Leaders and Church Planting over the past 30 years.

Ben is a gift to the body of Christ, he has the skills to communicate clearly, prophetically and cross denominationally very effectively

I unreservedly commend him to you.

Yours in Christ

Pastor John Lewis

Former National Vice President – AOG. Australia

Pastoral Care Officer for AOG. Queensland & Northern Territory.
