

To Whom It May Concern

It is a pleasure to be able to write this endorsement of Ben Gray.

I met Ben a number of years ago when invited to attend meetings with regards praying for our city and state. It soon became apparent that it was through Ben's initiative such meetings were being organised. BrisNet, along with city and nation wide prayer teams, and the Brisbane Yes We Care programme are just a few of the initiatives that came into being as a result of Ben's leadership.

Ben truly is an outstanding leader of leaders. He has been able to facilitate the coming together of church ministers, leading them to a point of unity so they can work together. He is a man of integrity, a true Christian leader that the church within this nation has benefited from. I personally have appreciated this passion of Ben's for bringing the churches together to function as one as often as is practical.

Ben comfortably crosses the different denominational barriers that exist within the Christian community, and communicates easily with the people. He has a genuine desire to see people set free from the traps of poverty, racial discrimination and the curse of sin.

I highly recommend Ben to any group or organisation that may be considering him for ministry or leadership. I do not believe you will be disappointed. Please feel free to communicate with me if in need of further assistance.

Yours Sincerely.
