TO WHOM IT MAY CONCERN

I have known Pastor Gray for about 20 years and consider him to be a very valuable friend. Pastor Ben has served the Christian community in Brisbane, Australia, and in many parts of the world with great distinction. He is a man of high personal character whose integrity is beyond question and who has shown outstanding qualities in the areas of leadership, vision, and spiritual development.

Pastor Gray has served in pastoral ministry in the city of Brisbane for many years being involved in the development of a very large church, then pioneering his own work as well as having an apostolic oversight in a number of major spiritual initiatives. He is the Founder of the Australian Prayer Network, and Co-Chair of the National Day of Thanksgiving Vision Team.

The books he has written show great spiritual depth and a thorough understanding of what is needed in the church of our day. His written work is of the highest standard being thoroughly researched and presenting concepts that both challenge and inspire.

He has the ability to minister in different circumstances and cultural backgrounds, and has been involved in short-term missions both in training leaders and planting churches.

His capacity for hard work is of the highest order and he has the ability to work with people of diverse backgrounds while at the same time upholding the highest standards of scripture and spiritual principles.

I count it a privilege to be a personal referee both in regard to his personal standing and ministry accomplishments.

Yours sincerely,
