TO WHOM IT MAY CONCERN

Let this letter serve as an endorsement of Ben Gray. I have had an association with him over a number of years through his involvement in various ministry expressions across Brisbane.

Ben founded the Australian Prayer Network, which now has over 6,000 members and is the co-chair of the National Day of Thanksgiving. Both of these initiatives reflect his desire to assist leaders across all denominations. I have found Ben to be a man with a strong commitment to unity across the wider Body of Christ.

Yes! We Care is another initiative that has brought a number of Churches together to help in the wider community, demonstrated by practical acts of service. Ben has a heart for mission – down the street and across the world. His heart for God and genuine love for people is obvious to all with whom he associates.

For these reasons and more, I commend Ben Gray to you as a credible minister of the Gospel.

In His service,

Wayne Alcorn
SENIOR PASTOR
